Due to the COVID-19 virus, the CARES ACT includes a one time grant for currently enrolled students. The stipulations on receiving this grant are that it be used to defer cost of attendance expenses such as food, housing, course materials and expenses, technology, health care, childcare, etc.

Chris' Beauty College will disburse and mail this grant check to you after receipt of your acceptance of the stipulations via email or signed statement mailed to us. We will then process your check and mail to the address we have on record for you. If you have moved since enrolling, please provide your current address so we can make sure you receive it.

Please acknowledge receipt and acceptance of this email so that we can disburse your grant as soon as the money is received by Chris'.
