Due to the COVID-19 virus, the CARES ACT includes a one-time grant for currently enrolled students. The stipulations on receiving this grant are that it be used to defer cost of attendance expenses such as food, housing, course materials and expenses, technology, health care, childcare, tuition, tuition expenses, etc.

Chris' Beauty College will disburse this grant check to you after receipt of your acceptance of the stipulations. We will then process your check and disburse to you.

Please sign and return the certification form so that we can disburse your grant as soon as the money is received by Chris'.
